What’s up broski

Toribur 8/4/2026 3:03 PM
Give me a bit to type out and word it if you don’t mind

Wojak 8/4/2026 3:04 PM
Go ahead I’m all ears

Toribur 8/4/2026 3:22 PM
Ok so let me set the scenario

About 3ish weeks ago I began talking to this foid who’s in a blue archive centered server, to start things off I am completely terrible at talking to girls, or just “casual” convos in general, but I did push through and we started talking, started about a VN she’s working on and just branched out into other random things about anime, life, extc. And me being the well person I am, started to fall for her, even if I acknowledge I'm ass at this and most of the time in convos I start it.. To give you a bit more information she is 34 and I am 21. So ofc the looming thought is "what if I'm burdening her", smth I ofc haven't told her about, but a thought none the less. Then like yesterday she matches pfp with some other guy because "he wanted me to and I think it's funny" (yes it's goofy art sure ig), so then that makes me think oh hey there's another guy after her. So curious, I talk to another friend I have about it who kinda sucks at women advice (he said this), but he says sure I'll ask him because he talks to that guy kinda often. He tell me when asked about if he has a crush on the women he said "who even knows at this point", and then he told me how found out some personal info about him that should lead me to "not worry about it", and he said I should keep pursuing the girl. Obv I'm left in the dark about details here but he's not the type to gain anything lying about this. Mainly if it turns into some "rivals" situation, it's still a dark thought over my head tho. But even so, let's say that was a complete nothing burger, I'm still terrible at this, don't know when to talk too much and too little, how to get closer and more personal, when to show what I look like, because I do at least know that looks play such a crucial part. Also I want to get in vc at some point bc she vcs with her other friends but idk how to go about asking that. So all of that, all of the confusion and doubt, has led me to you.

Wojak 8/4/2026 3:33 PM

Hmmmmm

Why not just invite her to do some one on one stuff

Toribur 8/4/2026 3:34 PM

Yes I know it was a lot 😅

Wojak 8/4/2026 3:34 PM

Honestly that's the best way to feel someone out

Has she ever asked you to do anything or dmed you first?

Wojak Has she ever asked you to do anything or dmed you first?

Toribur 8/4/2026 3:35 PM

No, I could test it tho ig?
I heard that's something people do

Wojak 8/4/2026 3:35 PM

Mmmm

Wojak You sure she's single?

Toribur 8/4/2026 3:36 PM

Wojak 8/4/2026 3:37 PM

You'd be surprised

Toribur 8/4/2026 3:37 PM

Plus why would she match pfps with a friend if she already has another dudes she's bfs with

Wojak 8/4/2026 3:37 PM

So here's where you stand, she's not interested/doesn't see you as an option at the moment

Ask her to do one on ones

If she reaches back out to you more often or makes a second plan to do something it's a good start

One liners, risky jokes, talk about taboo shit, talk about shit you wanna know about her about yourself first

For example if you wanna know if she's single you start talking about how you're single first

Lead the conversation

Basically we're on the outside as it stands but the door isn't closed

Wojak One liners, risky jokes, talk about taboo shit, talk about shit you wanna know about her about...

Toribur 8/4/2026 3:39 PM

We have talked about taboo shit a bit? Like I sent her a tweet of never ask a women how many times she goons a day, I just completely sent it as a joke, then she was like "oh 4" later on

Wojak One liners, risky jokes, talk about taboo shit, talk about shit you wanna know about her about...

Toribur 8/4/2026 3:40 PM

Give me examples

Wojak 8/4/2026 3:42 PM

Stuff and things (edited)

Toribur Give me examples

Wojak 8/4/2026 3:42 PM

Hmmmmm

Typically women tend to fall under certain categories of animals as a comfort to how they want to be treated

Cat, dog, bunny and what not

Girls love that kind of endearing treatment, figure out what kind of animal they are and go with the approach

If you get themselves calling themselves any kind of animal you've won

Or if they refer to you as any sort of animal you also win

That's typically my easy in

Wojak Stuff and things (edited)

Toribur 8/4/2026 3:44 PM

Also would you be able to vc in like 15 minutes? There's a lot more I want to discuss and you can get a better gauge on where I am

Toribur 8/4/2026 5:19 PM

one more notable interaction before we vc I wanted to mention

So a week ago I was at work, and I showed her a picture of what a part of the store looked like (no I didn't doxx myself in any way), then I was like when she went there the next day, I was like "show me a pic of what ur work looks like", she says she forgets and will do it the next day, next day instead of just a funny store pic like I ask she sends me a selfie pic of her store uniform with her hair a bit cropped off to the side which ofc was very unexpected, she then jokes about "oh my nametag is on the other side if someone wants to kidnap rape and murder me", we joke about that for a bit. Now I WAS thinking next time I go into work I could kinda use it as an opportunity to "one up" her and kinda halfway selfie show myself. What do you think

I just really love yanderes and find them by far the most interesting out of all the dere ty
their raw passion - the firey spirit they have, the way they're so determined to get what
want to a point of resorting to physical violence or sabotage or worse. but what i like mo
about yanderes is the psychology behind it all. like why does someone become one? hov
someone get to the breaking point where they're willing to break dozens of societal tab
achieve their goal? their personalities are also very interesting to me as well. the fact th
they can range from a warm, gentle angel of love, to a cold-hearted manipulative psych
that engulfs anything that gets in their way, or even snap between those two personalit
heartbeat, is amazing yet terrifying at the same time

so essentially, she's trying to overcome fate through isolation, distrust, manipulation,

because she's so chained down to her past

and proving her grandfather "right"

which

is basically the polar opposite of keiichi and friends

who overcomes it via trust, friendship

etc

"Nice! What times are you available?"

Wojak 8/6/2026 3:50 PM
yeah you can always say something like

"whenever you're free works perfect for me” (edited)

Toribur 8/6/2026 3:54 PM
gotcha

more of a casual response then

"what times are you available"

Wojak 8/6/2026 3:54 PM
Yeah

It’s light and considerate

Toribur 8/6/2026 3:56 PM
altho today Im gonna be at work soon

Wojak 8/6/2026 4:12 PM

Well it’s this dudes catchphrase

Date a live lol

You could if you want

If not say something like “now I’ve got something to look forward too after work”

Might be safer

Yeah I mean she’s at work lol

Could have just slipped her mind (edited)

Toribur 8/6/2026 4:16 PM

maybe that confusion could make a fun convo topic

when we actually talk

also on that note

So woje
Right now I do HEAVILY
ask for ur assistance here
Obv over text I can get ur advice
before I send a message
but with vc its not gonna work like that
So I please request
PLEASE VC WITH ME NOW AND DRILL ME
This first vc is going to be absolutely crucial

Wojak 8/6/2026 4:20 PM

Hold I'll give you some notes

Toribur 8/6/2026 4:20 PM

Ok, cant vc rn?

Wojak 8/6/2026 4:23 PM

Man I got a lot going on

I'm trying my best to respond as is

Toribur 8/6/2026 4:29 PM

I understand and I'm sorry if I type too much
It just feels nice to be hopeful again for once and I don't want to screw everything up

Wojak 8/6/2026 4:32 PM

You're good you gotta try yourself too cause once you bag her if you do you gotta lock in

> **Wojak** You're good you gotta try yourself too cause once you bag her if you do you gotta lock in

Toribur 8/6/2026 4:34 PM

I gotta LOCK IN??

Wojak 8/6/2026 4:36 PM

Yes sir

You gotta start thinking like I would player

[redacted]

Toribur 8/6/2026 4:40 PM
So thats something I've gotten down the snake method (look there)
but theres def more
Like the "oh ig you hate me now" thing
what even are the "3 pointers"
also the fake aggression im kinda grasping now but I need more context how to do apply it properly

Wojak 8/6/2026 4:43 PM
Three pointers are just whenever you take a shot at a message that shows interest

Just a three pointer

Hard shit to make little risk high reward

Toribur 8/6/2026 4:43 PM
Can you give an example in context, personally that always helps more than anything

Wojak 8/6/2026 4:43 PM
The let's date with the shidou gif

Toribur 8/6/2026 4:44 PM
so stuff like that...
or the "hearts into one"

like lovey dovey stuff

you can do in irony

essentially

Wojak 8/6/2026 4:44 PM
More or less

Basically say what you wanna say and have an escape plan if it doesn’t work

Toribur 8/6/2026 4:45 PM

Do you have a good list of 3 pointers?
or is it always convo dependent and finding something related

Wojak 8/6/2026 4:48 PM

Convo dependent

Lemme see some historical ones

I was taking insane shots last night with no net and landed all of them so like I genuinely can’t work that magic here

Wojak Lemme see some historical ones

Toribur 8/6/2026 4:57 PM

Gotcha

Wojak 8/6/2026 5:18 PM

Yeah no everything’s super specific

Toribur 8/6/2026 5:18 PM

Can you at least give me some examples if they are specific

still will help

Wojak Hold I’ll give you some notes

Toribur 8/6/2026 5:27 PM

Still working on it?
Def some stuff I want to know is how to start and end
once I get a generic convo going I can hold it
but especially starting is gonna be hard, usually with dudes I just say like "yo wassup" but ofc for a girl its different

Wojak 8/6/2026 5:31 PM

No it’s really not lol

Girls want to hear the same things guys do

Let me just give some quick pointers

Wojak Let me just give some quick pointers

Toribur 8/6/2026 5:34 PM

gotcha

Wojak No it’s really not lol

Toribur 8/6/2026 5:36 PM

thats surprising

i thought shed want a nice hello like

Hey, how are you doing? Nice to finally hear your voice or smth

also how to end too

is like "good night, was super fun speaking to you" good?

Toribur also how to end too is like "good night, was super fun speaking to you" good?

Wojak 8/6/2026 5:49 PM

Too formal

Be a little flirty

“It was nice to get to hear your voice”

Toribur 8/6/2026 5:59 PM

Perfect perfect

Can you give me more notes like this?

Wojak 8/6/2026 6:01 PM

Yeah give me a bit I’m busy lol not in like a rude tone but like I’m always busy

Toribur 8/6/2026 6:29 PM

Alr, I have 3 hours of work left anyway

Toribur 8/6/2026 7:39 PM

Heyyy 😭

Wojak 8/6/2026 7:58 PM

Ok so basics, you need to match her vibe

If she’s quiet don’t go crazy trying to start convo just focus on whatever is going on

Don’t try anything crazy either tonight just some wholesome fun

Yall are spending some relaxing time to watch something so just chill tonight

Sound excited to see her not like super crazy

But casual greeting, “hey how was work” maybe talk about work a bit then settle in and start watching

She’ll probably talk a bit about it beforehand

So engage that convo

Wojak But casual greeting, “hey how was work” maybe talk about work a bit then settle in and start ...

Toribur 8/6/2026 8:02 PM

Good starting thing to say?

Also I have a lot I can yap about higurashi

Toribur 8/6/2026 11:44 PM

Can you give me more pointers regarding this kinda stuff? Like I wouldn't have thought of the whole show off response

Toribur 8/10/2026 11:25 PM

asexual....

also what is DID

Wojak 8/10/2026 11:26 PM

It’s MPD but not as insane

Typically it’s just girls wanting to be quirky and not take responsibility for their actions blaming it on an “alter”

It’s bs

Wojak Bisexual, DID, hyper fixation on children, too immature, inconsistent, too friendly with everyon...

Toribur 8/10/2026 11:26 PM

wdym hyper fixation on children

just anime drawings surely

right

Wojak 8/10/2026 11:27 PM

She’s working and is 34 brother

You gotta take that into account

Wojak You gotta take that into account

Toribur 8/11/2026 12:24 PM

True but like today shes not working and still takes over an hour to respond lol
I need... to do the gift
I feel like that would REALLY establish me as someone special to her... more than just an online friend...

Toribur True but like today shes not working and still takes over an hour to respond lol I need... to do ...

Wojak 8/11/2026 12:28 PM

Yeah bring it up next time you’re on call

Toribur 8/11/2026 12:29 PM

on call..? I thought it would be better to do it through text as I have time to think out a good response

Wojak 8/11/2026 12:31 PM

No cause mic quality is the best topic to bring it up on

Toribur 8/11/2026 12:31 PM

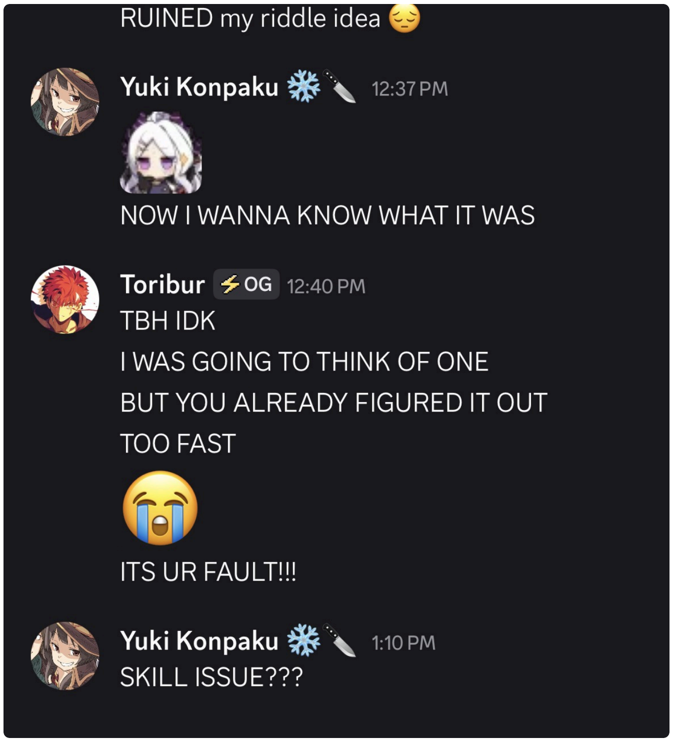
what would a good way of saying it be then
and what possible responses and answers would she give

Toribur 8/11/2026 12:43 PM

like if she says "oh you dont have to!!!" or smth

Toribur 8/11/2026 1:14 PM

She ruined my response here ngl 😭
I was expecting smth like “how is it my fault??” Then I would have called her an idiot/dumbie lol



RUINED my riddle idea 😔

Yuki Konpaku ❄️🔪 12:37 PM

Wojak 8/11/2026 1:17 PM

See you're thinking in advance

That's good

You need to also account for missing the shot always which you're learning

But that's good you're wanting the convo

Wojak You need to also account for missing the shot always which you're learning

Toribur 8/11/2026 1:19 PM

What would be a good backup here?

🤔

Maybe smth like
"NO! YOU NEED TO TAKE RESPONSIBILITY!!"

Toribur 8/11/2026 1:34 PM

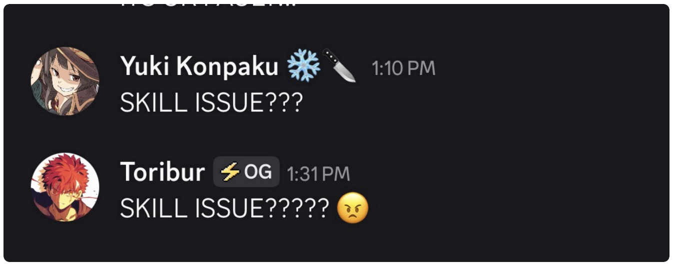
Thoughts?

Wojak You need to also account for missing the shot always which you're learning

Toribur 8/11/2026 1:37 PM

I was trying to set one up here but it just went the wrong way that I assumed

Just went with solid snake tbh 😭



Yuki Konpaku ❄️🔪 1:10 PM
SKILL ISSUE???

Toribur ⚡OG 1:31 PM
SKILL ISSUE????? 😠

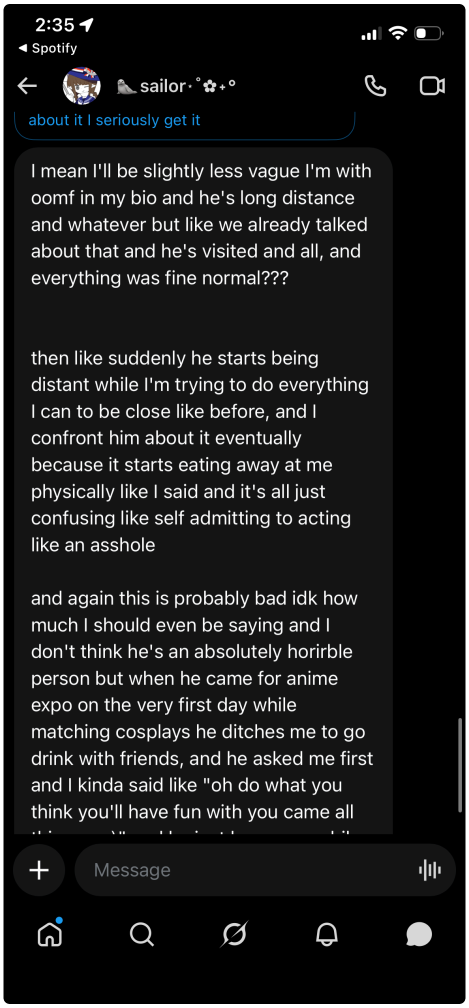
Wojak 8/11/2026 1:41 PM
Actually solid response

Toribur 8/11/2026 1:42 PM
What would you have done

Did u like solid snake or my initial draft

Wojak 8/11/2026 1:43 PM
No the solid snake is pretty good

It'll get her to explain her side lol



about it I seriously get it

I mean I'll be slightly less vague I'm with oomf in my bio and he's long distance and whatever but like we already talked about that and he's visited and all, and everything was fine normal???

then like suddenly he starts being distant while I'm trying to do everything I can to be close like before, and I confront him about it eventually because it starts eating away at me physically like I said and it's all just confusing like self admitting to acting like an asshole

and again this is probably bad idk how much I should even be saying and I don't think he's an absolutely horirble person but when he came for anime expo on the very first day while matching cosplays he ditches me to go drink with friends, and he asked me first and I kinda said like "oh do what you think you'll have fun with you came all

Alsoooo

I'm getting green lights from sailor

Wojak 8/11/2026 7:57 PM

As her if she's doing okay

Be like "you doing okay?"

And if she asks why just be like "you seem off is all"

Toribur 8/11/2026 8:12 PM

alright thx, lmk when you have a bit more time to chat cause I want to ask how to do the gift thing

Wojak 8/11/2026 8:19 PM

I mean when she complains about her mic again offer to get her one

Actually don't offer TELL her you're going to get her a new one

Toribur 8/11/2026 8:20 PM

OHH
so instead of saying "I could get you a new mic"
"yknow what I'll get you a new mic" (edited)

Wojak 8/11/2026 8:20 PM
Yes

Or “how about we get you a new mic”

And it’s not a question but a statement

Toribur 8/11/2026 8:21 PM
she'll prob say something like
"ohh you dont need to do that!!"

Wojak 8/11/2026 8:22 PM
Then say “I want too, I’ll get to hear your voice better”

Toribur 8/11/2026 8:23 PM
and if she still tries to deny it even after that?

thats very smart tho

to pose it as a statement

and not if she wants me to

Wojak 8/11/2026 8:38 PM
You’re providing

And she won’t

Usually they’ll give ip if they see you mean it

Toribur 8/11/2026 8:39 PM
wonder HOW we'll do it tho
since I cant just drive up to her house and give her it lol

Wojak 8/11/2026 9:11 PM

It's okay, I mean is there anything we could talk about or no?

I hope im not being too much about this

sailormage 8/3/2026 4:52 AM

Just, to be honest about my own feelings, it kind of hurts

I think it's kind of my own fault, I look back on things from months ago and it feels so different that it makes me horribly upset and it's been eating at me for a week or two

It's nothing against you at all, I understand being confused about your own feelings and all

I just think that if I kept in how I felt for any longer it'd kill me, it's really hard for me to but I think I have to be honest about how I feel

sailormage 8/3/2026 5:00 AM

sorry, but, just also at anime expo when you got really drunk one of the nights you started calling yourself an evil person and kept telling me to stab you, I don't know if you even remember that

But,to be honest about that as well it's also been messing with my head a bit

I really do love and care about you, and I want you to be safe and happy

So please do whatever is best for you, I'll be okay through anything you know me I'm a very resilient person

sailormage I hope im not being too much about this

hayday 東方 8/3/2026 5:18 AM

No you're not at all don't worry

And I understand I have definitely changed and I do see that, I don't think I did on purpose I think it's just the result of everything that's happened and stress from it all, it sounds kinda pathetic saying it out loud

sailormage 11:05 PM
What thr fuck

Wojak TBOX 11:05 PM
It's not about how much you're eating it's about being consistent with the time you eat to get your metabolism in a routine your body is comfortable with
And eating clean
You CANNOT STARVE YOURSELF
Or eat at weird ass times

Wojak TBOX You CANNOT STARVE YOURSELF

Like look

Toribur 8/11/2026 10:09 PM
is her bf not asking about any of this? Lmao

ART COMMS OPEN!!!!

Wojak TBOX 11:06 PM
If you do you'll lose the weight but the second you start to go back to normal your body goes "oh fuck we need to store all this as fat so when we go back to starving we have some energy" (edited)
You'll just trap yourself in a circle of infinite starvation
It's only good if you're trying to like reset your diet or do it before you start eating on a routine because it cold starts your metabolism
So you tell me what are we NOT going to be doing anymore

sailormage 11:08 PM
NOT dtarving and i will start eating consistently instead

Wojak TBOX 11:08 PM
Good
Good good
You'll feel a lot less sluggish

Her bf doesn't give a shit

Wojak 8/11/2026 10:12 PM

I don't mind I like my girls slightly above slim

Healthy girls are soft and I like soft

Toribur so shes trying to starve herself??

Wojak 8/11/2026 10:13 PM

Wojak Not sure

Toribur 8/13/2026 11:44 PM

i was thinking of saying smth like
"well start looking at ones you want and send to me!!" or smth

Toribur cause of this? Or other shit

Wojak 8/13/2026 11:45 PM

Sailor

I'm actually losing my fucking mind

Toribur 8/13/2026 11:45 PM

why...

Wojak 8/13/2026 11:46 PM

I’ve never had a crush this bad and I’m like obsessing over it to the point where I’m driving myself insane

There’s something like

Actually bad bad happening in my brain

Wojak Actually bad bad happening in my brain

Toribur 8/13/2026 11:46 PM

How so?

Wojak 8/13/2026 11:46 PM

Not to mention I’m severely intoxicated

Wojak Actually bad bad happening in my brain

Toribur 8/13/2026 11:46 PM

Bad?

how

Wojak 8/13/2026 11:49 PM

I should not be this obsessed

This is like bad obsession

Toribur 8/13/2026 11:49 PM

are things going well for yall at least?

Wojak I’m gonna be no help rn

Toribur 8/13/2026 11:54 PM

what about... "start searching for one you like and I'll buy it. Just consider it an early birthday gift! (HINASMILE)"

3

Wojak This is like bad obsession

Toribur 8/14/2026 12:02 AM

is it tho?

god dammit...
she doesnt accept the gift...
shes so hesitant to flirt back at all...

Wojak 8/14/2026 12:06 AM

Yes dude

Wojak Yes dude

Toribur 8/14/2026 12:06 AM

how is it bad obsession

Wojak 8/14/2026 12:07 AM

Bad bad

Bad

Toribur god dammit... she doesnt accept the gift... shes so hesitant to flirt back at all...

Toribur 8/14/2026 12:07 AM

Wonder if she got deeply heartbroken before
that shes afraid to really get close romantically with someone

Wojak 8/14/2026 12:08 AM

Maybe the case

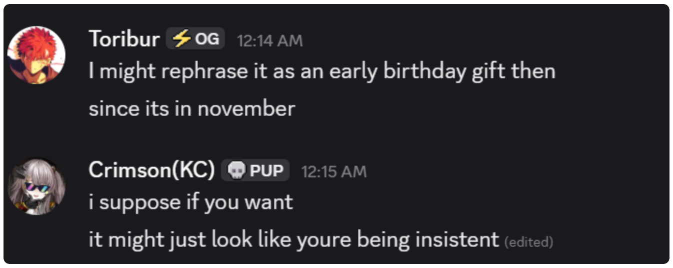
Toribur 8/14/2026 12:09 AM

how drunk are you?

Toribur she completely cut the idea off

Toribur 8/14/2026 12:16 AM

my other friends thoughts on the situation



Toribur ⚡OG 12:14 AM

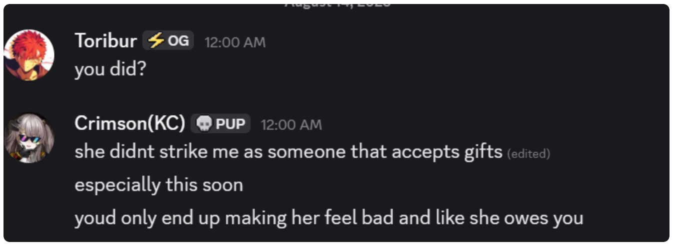
I might rephrase it as an early birthday gift then

since its in november

Crimson(KC) 💀 PUP 12:15 AM

i suppose if you want

it might just look like youre being insistent (edited)



Toribur ⚡OG 12:00 AM

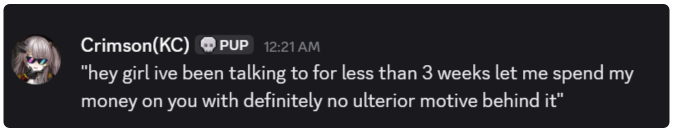
you did?

Crimson(KC) 💀 PUP 12:00 AM

she didnt strike me as someone that accepts gifts (edited)

especially this soon

youd only end up making her feel bad and like she owes you



Crimson(KC) 💀 PUP 12:21 AM

"hey girl ive been talking to for less than 3 weeks let me spend my money on you with definitely no ulterior motive behind it"

Toribur Wonder if she got deeply heartbroken before that shes afraid to really get close romantically...

Toribur 8/14/2026 12:37 AM

Im losing my mind now too

Toribur 8/14/2026 10:09 AM

you all sober now?

> **Toribur** she completely cut the idea off

Toribur 8/14/2026 11:24 AM

Toribur ⚡OG 8:14 PM
Just EXTREMELY busy day mostly
It's the last day of a promotion where you get more money to trade in broken controllers so EVERYONE is coming today
I've had to scan and box up like 300 broken controllers
😭
OH and super long, 8.5 hours
😭 1

Yuki Konpaku ❄️🔪 8:49 PM

Toribur ⚡OG 8:50 PM

Toribur OG 8:14 PM

Wojak 8/15/2026 9:26 PM

Yeah bro she just seems busy lol

Toribur 8/15/2026 9:26 PM

And she's been ranting a lot about politics and her Twitter ban in another discord server we're in

Wojak 8/15/2026 9:26 PM

Sailor hasn't messaged me back in 6 hours

We're in the same boat lol

She's just probably busy calm yourself and be patient

Wojak She's just probably busy calm yourself and be patient

Toribur 8/15/2026 9:35 PM

Ye but she's been online obv on the discord and is rting stuff on Twitter

And like isn't even doing the usual smile

She seems out of it

Wojak 8/15/2026 9:36 PM
So has sailor

Maybe she just needs a day

Wojak Maybe she just needs a day
Toribur 8/15/2026 9:38 PM
Do you think I should ask if she's alright before I sleep?

Wojak So has sailor
Toribur 8/15/2026 9:39 PM
So we're in the exact same fucking situation…

Wojak 8/15/2026 9:39 PM
Yeah ask her about her day

Toribur So we're in the exact same fucking situation…
Wojak 8/15/2026 9:39 PM
No not really

You're further along with your girl
Than I am along with sailor lowkey

But keep doin work

Wojak Yeah ask her about her day
Toribur 8/15/2026 9:40 PM
I was thinking like?
"Finally home from work, how were you today, you seemed kinda out of it tbh"

Wojak You're further along with your girl Than I am along with sailor lowkey
Toribur 8/15/2026 9:41 PM
Yeah but hasn't sailor done a lot of playful flirting back

Wojak 8/15/2026 9:41 PM
Ehhhh

Not flirting but she's trusted me and is vulnerable around me

Doesn't mean she's interested

So

I think it'll work out but I'm playing it slow and playing the long game

Toribur I was thinking like? "Finally home from work, how were you today, you seemed kinda out of it …
Toribur 8/15/2026 9:43 PM
Thoughts also? I think it's a good response

Wojak So

Toribur 8/15/2026 9:45 PM

Y’all say gn and gm each day now?

Toribur Y’all say gn and gm each day now?

Wojak 8/15/2026 9:48 PM

Yeah I e been trying

Toribur 8/15/2026 9:48 PM

Wdym been trying

Either y’all do or don’t

Wojak 8/15/2026 9:49 PM

I have been yes sometimes she falls asleep or I fall asleep as we literally talk

So it’s 50/50 lol

Toribur Thoughts also? I think it’s a good response

Toribur 8/15/2026 9:50 PM

😭

Would you adjust it

Wojak 8/15/2026 9:50 PM

Yeah seems fine you really don’t need the tire second part in the first message too

Wait until she responds to give a reason

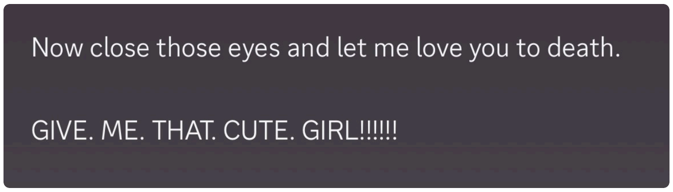
Wojak Yeah seems fine you really don’t need the tire second part in the first message too

Toribur 8/15/2026 9:52 PM

So just
“Finally home, how were you today”

Then follow up with the out of it part

Toribur 8/15/2026 10:20 PM



Now close those eyes and let me love you to death.

GIVE. ME. THAT. CUTE. GIRL!!!!!!

This new?

Toribur 8/15/2026 11:07 PM

Wojak you got this broski

Toribur 8/16/2026 12:19 PM

Bro? Thats it?
Tbh it kinda feels like I fucked up there she seemed annoyed
I needed a good response to the "you say that a lot" thats not that great of a reply

I thought it could make a wholesome "I care about you" moment kinda thing

Toribur I thought it could make a wholesome "I care about you" moment kinda thing

Toribur 8/16/2026 12:28 PM

maybe like "sorry!! I just want to make sure you're feeling alright!"

Wojak 8/16/2026 12:31 PM

habbit forming

you say that a lot isnt a bad thing

somethings def bothering her but she doesnt want to talk about it

Wojak dont bring it up again but be there for her

Toribur 8/16/2026 12:32 PM

Toribur maybe like "sorry!! I just want to make sure you're feeling alright!"

Toribur 8/16/2026 12:33 PM

any adjustments to this you might add?

Wojak 8/16/2026 12:33 PM

Toribur any adjustments to this you might add?

Wojak 8/16/2026 12:33 PM

mhm especially that "oh im more netural right now" thing (edited)

Wojak you dont its your actions

Toribur 8/16/2026 12:35 PM

Toribur 8/16/2026 12:58 PM

Also

Wojak 8/17/2026 12:05 AM

Yeah

I've got a lot on my mind

Sorry lol

Toribur 8/17/2026 12:05 AM

mainly sailor?

its alright

Wojak 8/17/2026 12:05 AM

Kinda all over the place with stuff going on

Oh yeah big big part of it

I want that girl bad

And she’s just like me I see her walking into the same walls and doing the same shit saying the same shit

I could genuinely take such good care of this poor girl

It’s driving me nuts I think about her fucking 24/7

And it drives me crazy I probably think about her a lot more than she thinks about me

Wojak I could genuinely take such good care of this poor girl

Toribur 8/17/2026 12:06 AM

but her bf is preventing that...

Wojak And it drives me crazy I probably think about her a lot more than she thinks about me

Toribur 8/17/2026 12:07 AM

ive had those same thoughts with Yuki tbh

Wojak 8/17/2026 12:07 AM

She’s ‘single’ right now

Technically

She’s just hung up

Toribur 8/17/2026 12:07 AM

so she dumped her bf?

Wojak 8/17/2026 12:07 AM

I can’t do much until she recognizes me as an option though

Yeah

It’s complicated

Like idk if they’re together or not but they’re still really close to the point where I can’t do much until

I don’t think for long and I’m fine playing the waiting game but ugh

I want to show her life isn’t the torture she’s been living in

Toribur happened

Toribur 8/17/2026 12:08 AM

oh ye let me tell you this
so remember she said "oh im playing with friends
one of my other buddies is playing a game called peak, i heard about it before so I ask him if its

good and hes like "yea wanna join my server where I play it with friends and join next time" and guess what fucking group it is

Wojak 8/17/2026 12:08 AM

Locked in broski

Go get your girl

> **Wojak** Go get your girl

Toribur 8/17/2026 12:10 AM

well that one dude she was matching with before seems to really want her but she doesnt really reciprocate it back
but she mostly just ignored it or just emoji reacted with laugh soooo
but there is some competition here

> **Wojak** I want to show her life isn’t the torture she’s been living in

Toribur 8/17/2026 12:13 AM

Toribur 8/17/2026 12:20 AM

Toribur 8/18/2026 7:38 PM

Toribur 8/18/2026 7:39 PM

we're both in this boat 😭

Toribur 8/18/2026 7:51 PM

me and Yuki actually had pretty good convos today

I just need to focus on getting really close and personal with her, and ofc more 3 pointer flirty stuff, which I both suck at

At least I have a better idea of how her current situation is now and her thoughts on it

Toribur 8/18/2026 8:43 PM

well she cant VC tonight but will tomorrow, you have any more good 3 pointers like the "nobodys stealing me for tomorrow" from before
